SECRET FILES & ORIGINS

ADVERTISEMENT

THE BATCAVE

SIZE: Enormous
STATUS: Secret
MAIN COLOR: Black
FIRST APPEARANCE: LEGO Batman Set #7783, August 2006

ORIGIN: As a younger, smaller mini-figure, **Bruce Wayne** once fell into the bat-filled caverns beneath **Wayne Manor.** Now **Batman** makes use of those same caves for his secret headquarters.

EQUIPMENT: Constructed from over 1,071 pieces, the gigantic **Batcave** is outfitted with the best equipment the Wayne fortune can buy, all maintained by **Batman's** faithful butler **Alfred.** On the top level, a hi-tech crime lab helps **Batman** hone his detective skills with the aid of a powerful supercomputer and a collection of villainous clues. A special pod lets him quickly change from dashing playboy to caped crime-fighter, and a net-launcher captures unwelcome intruders. In the lower levels are the rotating vehicle repair bay and docking platform, a prison cell assembled to hold even the toughest super-criminals, and much more - all built brick-by-brick by the **Dark Knight** himself!

Currently under development is the **Batblade**, a high-speed pursuit vehicle built for frozen missions. Against its thermal shielding, rocket propulsion and ice-smashing concussion cannons, cold-weather villains like **Mr. Freeze** and **the Penguin** don't stand a chance!

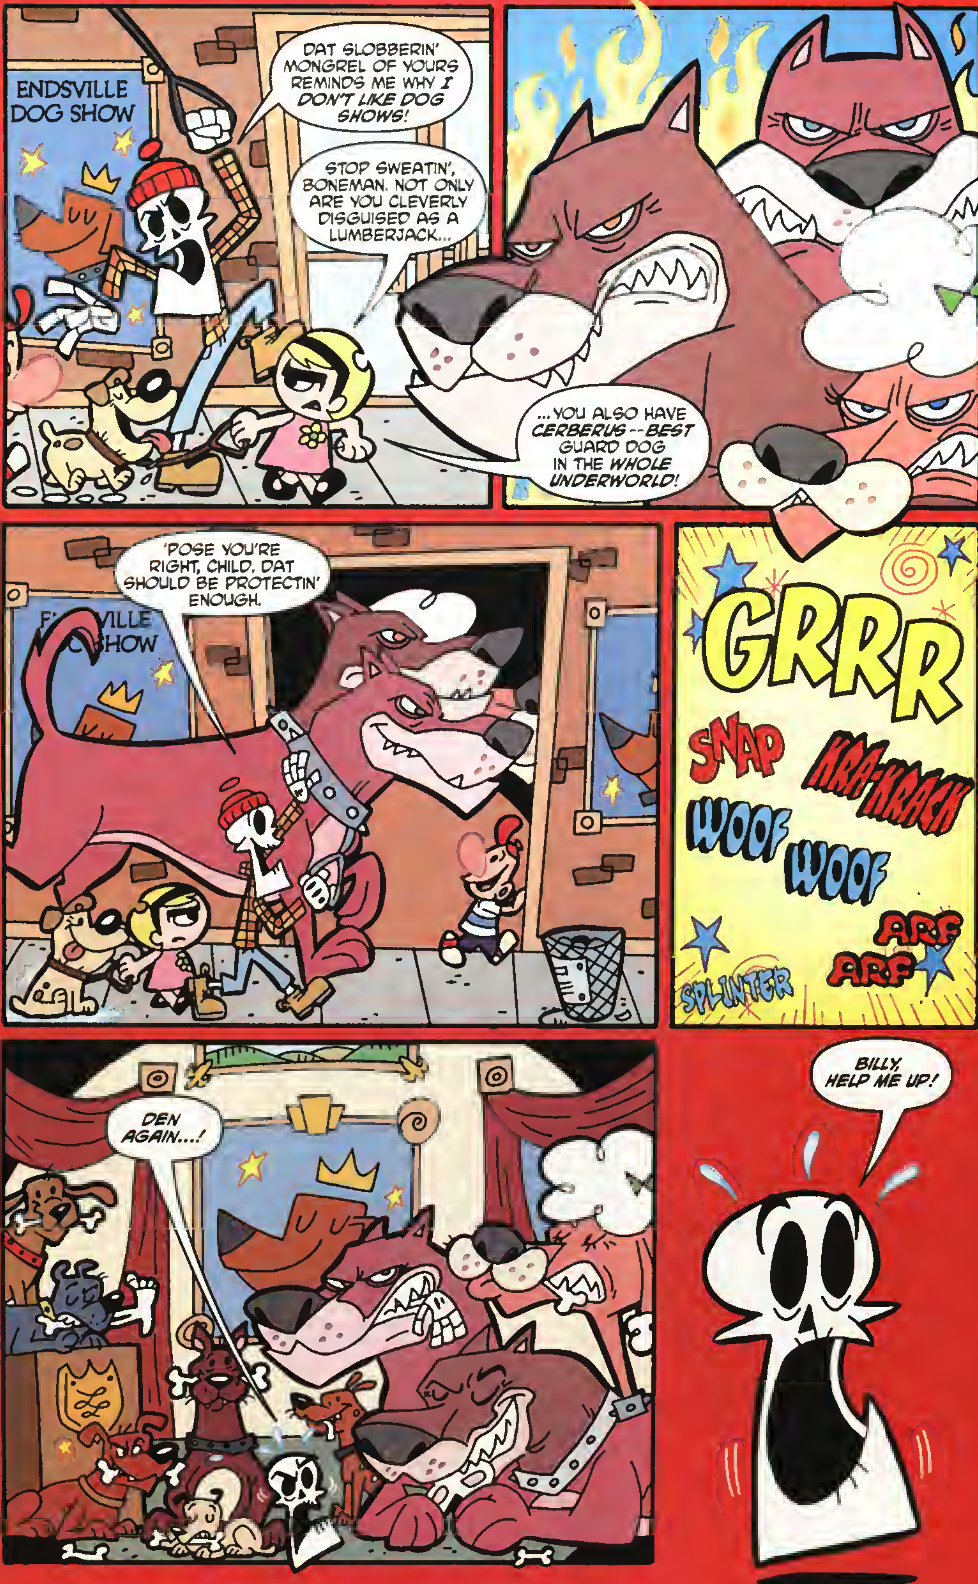

STATUS: For the **Dark Knight**, this is home sweet home!

Follow the adventure on www.LEGO.com/batman and on www.BatmanSecretFiles.com

JOHNNY DC SAYS: LET THE MAIL BEGIN!

Hi and Yo, I'm Johnny DC, your pal behind the pictures! I read and enjoy all of the letters you send to this comic book and also CARTOON NETWORK ACTION PACK. You're sending some awesome letters to make Ami and Yumi feel welcome to the BLOCK PARTY!

And next issue, you can welcome FOSTER'S HOME FOR IMAGINARY FRIENDS!!

DAVID MILLER from Colorado sent us a funny character he created, which I'm going to print with the heroes in ACTION PACK. Look for that in CNAP #6, next month!

DRAWING BY ELIZABETH KLOSKY, AGE 6

Dear Johnny DC,

I am a fan of the Cartoon Network shows like CAMP LAZLO, THE LIFE AND TIMES OF JUNIPER LEE, MY GYM PARTNER'S A MONKEY, and TOM & JERRY. Did DC Comics ever make a TOM & JERRY comic?

DC should make comics like CAMP LAZLO and JUNIPER LEE. I know you have HI HI PUFFY AMIYUMI on the block!

Alex A.
Anaheim, California

No, a different company used to publish TOM & JERRY, Alex. Now that company doesn't print any comics (but it makes some great puzzle books). You may know by now that JUNIPER LEE appears every couple of months in CARTOON NETWORK ACTION PACK. And – get ready – CAMP LAZLO is coming to CARTOON NETWORK BLOCK PARTY – wait for it – next issue!!
— Johnny DC

"I'M SMALL, LIKE A COMIC!" BY ALEX A.

Dear Johnny DC,

I love your comics! Yesterday I got HI HI PUFFY AMIYUMI issue 1 and issue 2, and the story I liked the best was "Tiki Torture." My favorite part was when a bird pooped on Yumi's head. That was too funny!

I even like the HI HI PUFFY AMIYUMI cartoon series, and I have seen most of the episodes.

Remember, Johnny DC, keep making good comics!

Samantha Clark
Ravenna, Nebraska

I will try, Samantha! You help us make good comics when you write letters like this one, saying what you liked. In fact, since you liked that bird, I'm sending him flying over to visit you!
— Johnny DC

DRAWING BY ELIZABETH KLOSKY, FROM NEW YORK

Dear Johnny DC,

I just finished reading "To Love Some Bunny" in issue #19. I think it was great. When Bubbles let free the dust bunnies, or whatever they were, they kind of looked like ghosts!

And when Bubbles knocked the cake right in Buttercup's face; that was so funny! I love your comics!

Addison Johnston, age 8
Halifax, Nova Scotia

DRAWING BY ADDISON JOHNSTON

Dear Johnny DC,

I made my own Powerpuff Girl – Bloom. Her powers are all of the Powerpuff powers and teleportation and fire breath. She loves to study. I want the girls' opinion.

Jane Huff, age 9
England

Bubbles is always happy to make a new friend. Buttercup thinks Bloom is being a bit piggy with all of those powers!
